**DETAILED ACTION**

***Election/Restrictions***

Applicant's election with traverse of claims 55-58 in the reply filed on 1-14-2005 is acknowledged. The traversal is on the ground(s) that M.P.E.P. § 803 applies. This is not found persuasive because first, the Applicant elects without traverse claim 55-58, see page 7, lines 4; second, the Applicant contradicts himself with traversing after stating no traversal; and third, this application was filed as a national stage application under 35 U.S.C 371 and not 35 U.S.C. 111; therefore, M.P.E.P. chapter 800 is inapplicable. Instead, this application falls under the examination requirements of M.P.E.P chapter 1800 and restriction practice is not used in 371 cases. Instead, lack of unity practice is utilized and described in M.P.E.P § 1893.03(d) which speaks of special technical features and not undue burden and it is encouraged that the Applicant review it so as not to make the same mistake again.

The requirement is still deemed proper and is therefore made FINAL.

***Allowable Subject Matter***

Claims 55-58 are allowed.

**Conclusion**

This application is in condition for allowance except for the following formal matters:

Cancellation of withdrawn claims 59-62.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
